This section to be completed by the Delaware Energy Office

Date Received: 01/08/10 @ 1430
Type of Operation: Intrastate delivery of heating fuels to residential and commercial establishments.
Extent of Exemption: Requirement to comply with driver hours of service limitations.
Effective Date: 01/09/10 @ 0600 Termination Date: 01/12/10 @ 0600

Special Conditions:

1. Limited to operators of vehicles making propane and/or heating fuel deliveries to residential or commercial establishments within the State of Delaware and operators of vehicles transporting heating fuels from terminal locations to heating fuel delivery companies.
2. Exemption is from the requirements of the 60/70 - hour rule only.
3. Drivers must still comply with the 11-hour maximum driving time and 14-hour maximum driving and on-duty time limitations.
4. Exemption may only be used when all drivers in a company have reached the 60/70 - hour limitation and deliveries are necessary to ensure continuation of heating services at a residential or commercial establishment.
